What is an Eventers Challenge?

A 2 Phase horse trial, the first section is over show jumps and the second is over natural obstacles, with a timed section. The show jump phase will be approx. 10 jumps, followed immediately by 12-14 cross country jumps on the main cross country course. The cross country for class 1 will take place over a shortened course.

After the show jumps competitors must enter the start box and wait for the bell or starter before beginning the 2nd phase over natural obstacles. There may be a short break between the phases, depending on the number of competitors on the course. A section of the cross country phase will be timed, and may include knock down fences, which will attract penalties (10 penalties). Overall the winner and runners up will be those that achieve clear round in both phases with the fastest time over the cross country timed phase. Start times will be allocated to all competitors.

NB. At this event, if you are eliminated SJ, we *may* allow you to continue onto XC *at the judges discretion*, but anyone eliminated XC will have to leave the course at a walk allowing others to continue safely.
