2019 Format!!

So, again after listening to competitor feedback we are running a new format on the basis that, it's so unfortunate that you can have 5 Showjumping fences down to one XC fence and that people like the opportunity to play around than really push for having to get a quick quick time.

Therefore, we came up with using the 'Eventing' Optimum Time Format and same penalties for SJ and XC fences. It may work fabulously or you may wish to revert back but we can try it.

Lower Entry Fee for Pre Entry too (was £15) and Entries taken on the day now as well.

SJ - 4 penalties for each refusal or knockdown

XC - 4 penalties for each refusal or knockdown

Crossing your line – 4 penalties each time.

Time - 1 penalty for every second away from the optimum time which will be announced on day of competition.

3 refusals/fall/wrong course - Elimination

Rider with the least amount of penalties wins. In the event of a tie a Jump off will decide placings

Entry Fee - Clear round £8.

Class 1 - 4 £13.50 pre entry.

First aid cover per rider £1.
