If this happens, membership numbers will be chosen at random and placed into two groups. The first group 'A' will enter the ring, and the judge will choose their TOP TWO. All competitors will leave the ring, and this will be repeated for 'B'. The top two from 'A' and 'B' will then re-enter and go back in to the ring to be placed 1st- 4th in that class. All competitors after 4th will receive 1 point if places cant be determined due to class size.
