A fun event involving three phases. The order you do the phases will vary to avoid hold up.

Phase 1 – a ride around the local area (more of a treasure hunt than orienteering, as in real Le Trec) a test of your ability to write the answers to some simple questions on horseback! There will be an optimum time for this section. There will be some road riding so please bring your Hi-Viz.

Phase 2 – control of paces – walk as quickly as you can through the markers and then canter as slowly as you can – without breaking pace as this will be penalised.

Phase 3 – negotiate a course of obstacles! Your horse/you don't fancy something on the course? Don't worry, you can miss things out, you just won't score points for that obstacle.

Please remember this is a fun event. It is about having a good time with your horse and your friends. Come along and experience something different if you haven't tried Le Trec before, expect something very low key if you have!

Please note this is pre-entry as we will have limited places due to Covid-19 and so that you can be given start times – on the FB page Friday evening or you can ring 07833794181.

Sadly there will be no rosettes for this event but members will get recognition of their achievements at Presentation Night.

Entry fees: (£20 pairs as long as one is a member or £25 for two non-members, £30 trios as long as one is a member or £35 for three non-members). Please note under 16s must compete as part of a pair/trio with an adult.

Enter via the PDRC website shop stating rider and horse names and any special requests – e.g: early/late start times.
