Concours d'Elegance – CES UK Guidelines

1st and 2nd placings in each CES Affiliated class qualify for the CES UK Championship.

All Concours d'Elegance classes will be run according to the CES UK Guidelines as follows:

When you and your horse step into the ring, you are under the eye of the judge(s). The overall first impression of the horse and rider upon entering (turn out of horse, costume, tack, et cetera) is crucial – sit up proud, take a step back in time and ride into the ring as though you are parading your best dress around the estate!

The fit of the costume – Skirts should not be too long or drooping/slipping, this can cause an accident should the horse step on the skirt, and will result in a lower placing.

A good rule of thumb for skirt length is “below the dock and not the hock”. Jackets should equally fit well, not too tight making the rider look uncomfortable. Information on how to weight a skirt can be found on the CES UK Facebook page.

CES UK judges love to see colour coordination. A hat band to match your costume will do you a big favour in the ring, and making sure your hair is neat and tidy is a good addition too. This does not mean your hair must be in a bun.

Top hats do not automatically result in a higher placing. Please Note if your hat is not a riding hat within the BSS, a disclaimer must be signed when placing your entry.

Any movement in the skirt will result in a lower placing, all riders whose skirt remain in place will be up the line.

End decision is purely the judge's personal choice, costume colour, design, horse, etc.

Judges must (when handing out rosettes) explain the placings.

Stallions are required to wear a stallion disk. Stallion riders/handlers must be 14 years and over. Equally, other competitors are requested not to overcrowd a stallion. In-hand – stallions and colts must be bitted. In all cases, the stallion or colt must remain under control.

Any horse found to be causing disruption to a class will be asked to leave.

For further information, please see the CES UK Facebook page.

Please Note

1. The judge's decision is final
2. No entries will be accepted without the appropriate fee
3. Correctly fitted footwear and headgear that conform to the current safety standard must be worn at all times when mounted.
4. Dogs must be kept on a lead at all times
5. In the event of cancellation, your entry fee will be carried over to the next Tumpy Green event. No Refunds given.
6. A vets or doctors' certificate will be required if a withdrawal is made and request for a refund given due to the incapacity of horse or rider

7. No jewellery to be worn and long hair to be secured above collar height.
