

## 24 APRIL – DAY CAMP AT LOWER HADDON LIVERY

**Lower Haddon Farm, Station Road, Bampton OX18 2AT**

We are now taking bookings for our one day camp. This includes two ridden sessions (all levels), theory session, lectures, lunch and a demonstration from one of the equestrian world's greats and we'll even throw in a goodie bag. Places are strictly limited so that we can keep the groups sizes small so secure a place soon to avoid missing out. A taste of who we have coming to teach at this inaugural camp!

### JONTY EVANS

Jonty has been competing internationally in eventing for more than twenty years and competed successfully at the 2016 Rio de Janeiro Olympics with the wonderful Cooley Rorkes Drift. In 2015, he helped lead the Irish team to the nation's first ever Irish FEI Eventing Nations' Cup victory in the Boekelo Nations' Cup. He has outstanding knowledge and the ability to help all levels of horse and rider – we are so lucky to have him join us today. From polework, small & large grids, to riding a course – he will be teaching small groups of no more than four – all levels.

### ALI SURREY DANE

Advanced eventer and advanced dressage rider, Ali has fantastic experience in bringing out the best in a variety of horses – whether you want to do eventing or dressage she can help with either! Having competed together up to CIC2\*, Ali is now campaigning her talented but 'quirky' horse at Inter 1 and has wide-ranging experience in riding schools, on event yards and freelance, training in both fields. Ali has built up a firm reputation as a knowledgeable and sympathetic rider and trainer and will be teaching in pair groups of similar levels

### MADDIE FREWIN

Maddie began her career as an international pony rider in 2016 and was straight away selected on the British team with her own Ode to Shannon for the 2016 European Pony Championships where they finished 9th in the Kur to Music Finals, she then went on to compete in a further two junior Europeans. She has continued to go from strength to strength with the new ride on Woodlander Rhythm n Blues in February 2019, and have since been to 3 internationals taking a recent win at Keysoe CDI in the team and individual test. She will be training groups of two – at any level from intro – advanced and is super friendly and encouraging to all ages.

### FREYA MCALEER

Freya is a BHS St3 Accredited Professional Coach and event rider, also known for dabbling in tack-less riding & jumping. Having trained up to Novice / Intermediate under some of the biggest names in the business, Freya is also certified in natural horsemanship techniques, and tries to bring this variety of knowledge into her teaching methods. By focusing on improving the confidence and understanding of both horse and rider, she aims to instil a harmonious partnership built upon trust, enthusiasm, ambition and curiosity. She will be training groups of four – at any level from poles to courses and will absolutely ensure that you have fun.

## LUNCHTIME DEMONSTRATION

### How to Improve Your Dressage Marks.

Open to spectators too – by ticket only.

We are incredibly lucky to have the internationally renowned **Pammy Hutton FBHS** and her team from Talland to come and give us a demonstration on how to improve your marks in a dressage test.

She has produced all of her horses from scratch to Grand Prix and has taken 9 of them to international standard. On the training side Pammy helped the Italian Three Day Event Team and the Irish Team for the European Championships in which they gained 4<sup>th</sup> place. She was also the Dressage Trainer to Gold Medal winning Australian Three Day Event Team at the Barcelona Olympics. We are delighted to be able to welcome to our day camp to share some of her outstanding knowledge with you – she might even bring signed copies of her new book!
