2024 Course Details

The courses run over old pasture and through woods and are designed to flow well. This is the third running of the team chase and there are new fences in all courses which are designed to make them easier than in previous years. The novice and intermediate courses have been shortened for 2024 with the novice particularly so. In particular the first few fences of the novice have been made easier and the sections towards the end of the course in the copse on the novice and intermediate tracks have been completely changed.

The new fun class follows a similar, but shorter route to the novice class. It is approximately 1m with 18 fences which are between 70 – 80cm in height and will be straightforward. The novice and pairs is approximately 1.5 miles with 19 jumps, fences will be between 80cm & 1 metre. The intermediate course is just under 2 miles with 24 fences and a maximum height of 1.10 metres including a new pen.
