Are you seeking a natural, non-invasive way to enhance your horse's wellbeing? Equine reiki offers a powerful, holistic healing modality that can transform your horse's physical and emotional health. Stress, trauma, or emotional imbalances experienced over time can create blockages to the natural flow of energy within the body, leading to physical tension in specific areas, such as the poll or sacrum. Not only am I able to apply reiki to ease the discomfort but by using targeted massage techniques, I am able to stimulate the affected areas, releasing trapped energy and promoting circulation. These techniques allow the body to relax, restore balance, and improve the energy flow, ultimately alleviating discomfort and supporting emotional and physical wellbeing.
